EXCELLENCE

A W A R D S

powered by **QUIRK'S**

Judging criteria:

- Actively pursues activities that enhance MR skills (secondary education, certificates, participation in MR-related organizations).
- Works to communicate MR findings throughout the organization.
- Goes above and beyond to promote the value of MR (internally and externally).
- Has made a significant, measurable impact through an individual/team research project or other MR-related endeavor.

Submission materials:

- One 500-word statement on why the individual should win.
- Minimum one 250-word recommendation.
- Minimum one supporting material (PowerPoint, PDF, etc.) supplementing written information.

Researcher of the Year (end-client)

One client-side researcher who is a proven game-changer for the marketing research industry.

Judging criteria:

- Strategic value – provide long-term benefits to the company.
- Demonstrated effectiveness – worked as a team to achieve a goal; overcome a challenge presented to the organization; and/or improve the integration of marketing research throughout the company.
- Meet and anticipate internal needs, supporting the company's overall mission and/or vision.
- Promote diversity and inclusion – sponsors or actively promotes programs, projects, education or initiatives in the area of diversity and inclusion.

Submission materials:

- One 500-word statement outlining why the team should win.
- Minimum one 250-word recommendation/testimonial from internal stakeholder.
- A case study, additional testimonials and/or other supporting materials are encouraged.

Client-Side Team

A client-side marketing research and insight team making outstanding contributions to the success of their company. Researchers consistently execute high-quality research and elevate the role of research.

The Marketing Research and Insight

EXCELLENCE

A W A R D S

powered by **QUIRK'S**

Judging criteria:

- Promotes and defends research insights both within and outside of their organization.
- Proven trailblazer, creating a path for other researchers to follow, allowing them to make an impact using research insights.
- Has challenged the status quo within a brand, industry or company.

Submission materials:

- One 400-word statement outlining why the individual should win.
- Minimum two 250-word recommendations/testimonials.
- Submissions must also include at least one supporting material that demonstrates the risks taken and strides made to promote and defend research insights.
(Metrics, additional testimonials, video [maximum five minutes in length], case study, etc.)

Courageous Leader

One researcher who is a proven risk-taker making a significant difference in their organization through marketing research and insight.

Judging criteria:

- Potential as a future leader in marketing research.
- Practical applications of marketing research.
- Dedication to the marketing research industry.

Submission materials:

- One 500-word statement outlining why the individual should win the award.
- Minimum one 250-word recommendations/testimonials.
- Supporting material recommended but not required.
(Metrics, additional testimonials, video [maximum five minutes in length], case study, etc.)

Nominees must be 30 years of age or younger on Nov. 14, 2023. Previous winners of the Marketing Research and Insight Excellence Award Outstanding Young Researcher category are not eligible.

Outstanding Young Researcher

An individual 30 years of age or younger who has made significant contributions to the marketing research and insight industry.

Judging criteria:

- Demonstrated leadership, specifically by creating paths for other researchers to follow.
- Has participated in and/or impacted a research and insights association, group or mentorship program.
- Has made a significant, measurable impact on a company, brand or specific area of research and insights.
- Goes above and beyond to promote the value of marketing research and insights.

Submission materials:

- One 500-word statement outlining why the individual should win.
- Minimum three 250-word recommendations/testimonials.
- Industry resume.

Retired practitioners are eligible.

Lifetime Achievement

One exceptional individual who has spent 20+ years within the marketing research and insights industry.

Criteria

The MREF Everyday Hero award is given to a researcher who is making a difference in or outside of their community but who may not be getting the accolades they deserve. This individual is impacting their world through efforts such as:

- Volunteering at a worthy non-profit.
- Doing the behind-the-scenes work an organization depends on.
- Leading and encouraging others to give back through volunteering or other efforts.

Nominees must be currently employed by a market research firm or work within a market research department of a corporation.

Submission materials:

- One 500-word statement outlining why the individual should win.
- Minimum one 250-word supporting statement.
- Name and location of organization the individual supports.
- Number of years the individual has been involved in philanthropic/volunteer work.
